PRESS RELEASE

JANUARY 27, 2003

**SUBJECT: LG INTERNATIONAL AVIATION TEAM AWARDS
MULTI-AIRCRAFT CONTRACT TO LIFEPORT, INC.**

LifePort, Inc. Woodland WA – LG International and its LG Aviation Business Team, one of the largest business groups in South Korea, recently awarded LifePort, Inc. a contract to design and manufacture Aeromedical systems for use the Eurocopter AS365 Dauphin and the Russian Manufactured KMOV KA-32 Helicopters.

The AS365 Dauphin will be outfitted with the **LifePort Patient Loading Utility System (PLUS)** with oxygen, suction and compressed air components along with IV warmer drawer located in the **PLUS** base, custom designed 4 drawer medical cabinet, and LifePort Interiors designed MedFloor. The aircraft will enter service as a multi-mission aircraft and will be operated by the Kyounggi Providence Fire Department in South Korea.

The KMOV KA-32 **LifePort Patient Loading Utility System (PLUS)** incorporate many of the same features found in the AS365 Dauphin **PLUS** unit. This aircraft will serve as a multi-mission aircraft and will be flown by the Kyong Sang Buk-Do Fire Aviation Corps in South Korea.
